Knoxville, Tenn. – Apex Bank continues to grow its Greene County presence by re-branding the former Towne Square and Baileyton locations of Capital Bank on Monday, March 26, 2018. First Horizon's acquisition of Capital Bank enabled Apex Bank to add these two locations to its expanding footprint, increasing its Greene County retail presence to over \$100 million and employing more than 85 team members across East Tennessee.

"We're thrilled to increase our Greene County presence," said Matt Daniels, President and CEO of Apex Bank. "We welcome former Capital Bank customers and team members to the Apex family and look forward to supporting the Greene County community."

All team members will remain in place as these two offices join the A.J. Highway and West Main locations in serving the Greene County community. Customers can expect to see the same friendly, hometown staff providing excellent service and addressing customer banking needs.

"Our Apex team has worked hard to make the transition as seamless as possible for Capital Bank customers and team members," said Daniels. "We look forward to continuing our commitment to community-focused banking here in Greene County."
